

Archie's Exotic Pet Rescue

www.archiesrescue.ca

Video Producer/Editor Volunteer

Archie's Rescue is seeking a volunteer willing to film and edit videos that entertain and/or educate the public about our rescue, the animals in our care, and the health and care of exotic animals. This volunteer would also be responsible for maintaining the rescue's YouTube channel.

Description

- Edit short- and long-form videos for Archie's Rescue's website and social media accounts
- Take charge of video ideation and creation
- Ensure videos meet the board's specifications and guidelines
- Implement creative notes from the board

Recommended Skills

- Familiarity with video editing software and basic editing principles
- Ability to communicate effectively
- Attention to detail
- Comfort and patience around filming animals
- Excellent storytelling skills
- Strong project management skills
- Experience with high-resolution file transfer applications
- Talent for sound applications
